

# About QGF-SPG

***Intentionally Crafting the Future Political Climate.***

The Quivive Global Foundation School of Politics and Governance (QGF-SPG) offers a dedicated mentorship programme aimed at preparing and empowering young individuals for political office and related assignments. Through this initiative, the programme strives to ensure that mentees gain a thorough understanding of the political landscape and the principles of governance, enabling them to participate actively and effectively.

## Program Structure

- Program Content: 7 Courses, 31 Modules.
- Duration: 6 months.
- Delivery Mode: Online - mentors led sessions with assessments and group work.
- Facilitators: High profile past and present public office holders, policy makers and political strategist
- Schedule: 2 days a week
- Requirements: 98% attendance, assessments, and a submission of final project.
